## **EHMA Dario dell'Antonia award at Ecole Hôtelière de Lausanne on 15 July, 2022**

Congratulations to Ms. Polina Batasova for winning the EHMA Dario dell'Antonia award for the best overall vote in both sections (English and French)!

The prize is intended for a particularly deserving EHL graduate and consists of an invitation to the EHMA Annual General Meeting, i.e. exclusive access to the entire conference program and closed-door discussions on trends, challenges and opportunities with top European hotel managers.

Looking forward to welcoming Polina next year in Lisbon from 10 to 12 February!
