

Esteemed Members,
Dear Friends & Colleagues,

I am very happy to inform you that **Ecole Hôtelière de Lausanne** has offered EHMA the opportunity to be present with a dedicated space at their [Group Career Fair Spring 2023](#) to be held at the school on Saturday **18 March** from 9am to 4pm.

This represents an important opportunity for you and the Association to meet, interview and recruit students and alumni who are looking for an internship or a job, the ideal way to raise your company's profile and hire new talent in just one day.

The space dedicated to EHMA will be an entire classroom with six tables that can welcome six EHMA General Managers (who can bring one person each from their hotel if they wish) representing their hotel and the Association itself.

Our **National Delegate for Switzerland Wilhelm Luxem** will kindly coordinate the EHMA presence for the occasion and in this regard, I kindly ask you the following:

1. to let us know your availability to be present on 18 March at the EHL campus representing your hotel as well as EHMA. As there are 5 more places available, requests will be accepted on a first-come-first-served basis. Of course, the prerequisite is that your hotel is willing to take in students for an internship.
2. to register on the attached Job Platform your availability to host one or more EHL students at your hotel on the following dates and in the following departments:
From 07/23 to 01/24 - Operational internships Preparatory Year students
(Kitchen, Service, Housekeeping, Reception, etc.)
 - From 07/23 to 01/24 - Administrative internships Bachelor students
(Marketing, Sales, Human Resources, Revenue Management etc.)

Once you have registered your availability on the Job Platform, I kindly ask you to inform us accordingly by simply replying to this message also indicating whether you are currently already working with EHL.

I thank you for your attention to this important initiative and opportunity and look forward to receiving your positive feedback.

Warm regards,
Panos
